

BUSY BEES AND AFTER SCHOOL ACTIVITIES HEALTH AND SAFETY POLICY

OVERVIEW

The health and safety of the children, staff and other users of the school will have the highest importance for everyone working in this school. Everything will be done to promote good health, keep all safe and to protect them from danger.

INTENT

1. To keep all safe and healthy
2. To establish excellent and effective procedures for keeping children safe, healthy and active.
3. To put into place safe procedures and contingency plans for the health and safety of children.
4. To ensure that staff are trained and carry out their health and safety responsibilities well.
5. To ensure that there is a quick and effective response to any incident.
6. To ensure that any probable sources of danger are identified and that appropriate action is taken.
7. To ensure that appropriately trained members of staff provide first aid in case of accident.
8. To ensure that the school makes effective use of various outside agencies when appropriate.
9. To use the Busy Bees Club and after school activities to promote children's healthy growth and physical development

IMPLEMENTATION

1. All staff will follow the health and safety procedures that have been established and put into place.
2. Risk assessments will be carried out by staff before activities and clubs.
3. Regular health and safety checks will be carried out to check the school environment and equipment.
4. Detailed records of accidents and incidents will be recorded and kept.
5. All will promote healthy eating, drinking and care will be taken to ensure that children's food allergies are taken into account when they are in contact with food and ingredients.
6. Play, physical education, sport, games and extra-curricular education will promote children's physical growth and development. Children will be encouraged to be active and healthy.

IMPACT

Busy Bees and after school activities will do all it can to provide a safe environment in which children can work, learn and play. Through the curriculum and other activities, it will do all it can to facilitate the healthy growth and development of children. This policy should be read in conjunction with all other safeguarding and child protection policies.
