## Play Leader Games

1. Into the River  
Jumping – Bank/River/Crocodile

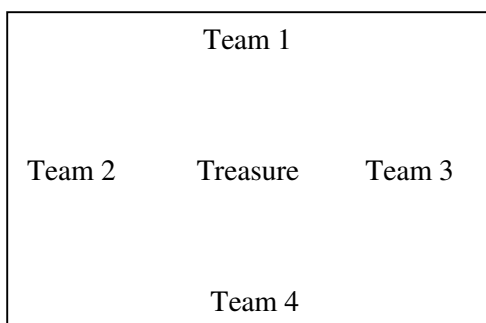

2. Donkey's Tail/Team Tag

Cones needed to section off an area (3x3). One person wears a bib and chases other children within the area. Once a person is caught, that person wears a bib and becomes a catcher too. The game continues until one person is left.

3. Treasure Hunt

Four teams are needed and stand at four points. Treasure is placed in the middle of the area.

One person runs into the area at time and collects a piece of treasure. They run back to their team and tag a friend until all the treasure has been collected.

4. Tag/Tig

One person wears a bib to shoe he/she is on. If tugged, then stand at the side.

5. Tag 2 (Toilet)

Three people are on. If tagged, squat down. To become free, someone must pretend to sit on the person's knee and pull the chain.

6. London Bridge Tag

If tagged, make a bridge on the ground with hands and feet. To become free, a person must crawl under your bridge.

7. Dodge Ball

Team of three people. Dodgers have to avoid the ball. Once a dodger is caught, join in with the initial three people. Cannot run with the ball.

8. End Zone Game

Two teams with one person from each team at either end of the area. Children throw and catch ball in the middle of the area. Once the ball has been thrown to their 'goalie' and caught, that team member joins the 'goalie' and becomes a 'goalie' too.

9. Bunny Hops

You need two teams. One person hits four balls into a space. The other team has to collect all ball and place them within a hoop whilst the 'hitter' tries to collect as many runs as they can.
