As we are an integral part of school we will be using the same Late Collection Procedure Policy. During the last Half term we have been advising people who have been late collecting their children.

Please ensure that your child is collected from school at 3 p.m. or 4/4.15 p.m. if they are attending an after school club. We are fully aware that there are valid reasons or emergencies where parents/carers have been delayed and, when the school is informed in advance of this, we will always take an understanding view. However, some parents/carers regularly pick up their child late with no prior contact being made. Therefore, we are taking the following action. Children who are not picked up by 3.10 p.m. will be taken to the school office where they will be supervised by school staff. If it is the first occasion of late collection and the parent/carer has notified the school that they are held up then no charge will be made for the supervision of the child. There will be a charge of £5 per hour or part thereof per child applied to contribute to the cost of the school for supervision of children if one of the following applies: A repeat occurrence of late collection by the parent/carer by 3.10 p.m. This charge would be expected to be paid on arrival at school. **The same charge of £5 will apply for children being picked up 10 minutes after the finish time of their after school club.**
