

Impact of the Primary School P. E. Grant Summer 2017

1. The school has been able to offer additional PE and sports sessions to all pupils so they can experience different sporting opportunities and develop new skills throughout the year.
2. There is now an increased number of pupils taking part in inter school and local and National area competitions through the local partnership links.

We are proud to be 4th Nationally in British Schools Gymnastics. (1st State School)

Placed 1st in five different competitions within the borough of Rochdale

Overall 6th in Greater Manchester Sports.

This evidence shows sustained and continuous improvement in sport.

3. New experiences have been provided for children through lunchtime club linked to the children's own interests (ks1 and ks2)
4. The purchase of new sports equipment at lunchtime (new goal posts, balls, target nets) has led to more children taking part in sports on a regular basis.
5. All pupils now take part in inter school events, some with a competitive element (cross country, Tug of War, Team Games, Penalty Shoot Out & Sports Days.
6. Children recognise the importance of keeping fit and healthy and every child has the opportunity to participate in Inter House Activities.
7. Lunchtime staff and Play Leaders encourage and support children to take part in games and sports each lunchtime.
8. Children have developed and enhancing their sports skills following the purchase of new, good quality PE equipment both during PE lessons for all classes and at lunchtime break

Staff training has been of paramount importance. We have formed links with a partnership and this has resulted in high quality training for staff increasing their confidence and competence in turn the children have developed skills, excelled and the impact has been great.

Sustainability

We aim to maintain a commitment to sport and P.E. through continued partnership & funding from the school budget and sponsorship in the community. We will generate further income and monies through lettings, after school activities and clubs.
