Foreword

Rochdale MBC aims to be recognised as a leader of diversity and equality in its work and as an example of good practice in the delivery of services and employment. This Single Equality and Community Cohesion Policy for Rochdale's schools reflects this ambition and outlines the activities which will deliver this.

Equality of opportunity and social inclusion issues will ensure that all school communities can truly benefit from and contribute to the improvements we are making, which will bring long-term and positive benefits for Rochdale Borough. Therefore the school's Single Equality and Community Cohesion Policy will require ownership by Governors, senior leaders, all staff, the school community and the pupils in order to succeed.

This policy serves essentially two purposes:

1. To set out a school's overall commitment to equality and community cohesion in one central document for past, present and prospective pupils. The Policy therefore contains the school's approach to all relevant protected characteristics of: **Disability, Gender, Gender reassignment, Pregnancy and maternity, Race, Religion or Belief, Sexual orientation;** and
2. How the school will manage, plan and include its Single Equality and Community Cohesion Policy within its day to day work.

Schools also have obligations as employers and a service provider against the protected characteristics of Age and Marriage and Civil partnerships. These obligations are not covered in this framework as this policy is concerned with a school's obligations to its pupils (mainly present and prospective pupils and where relevant former pupils and staff).

Separate policy guidance covering recruitment and employment is available from Schools Personnel team and the Local Authority.

This Single Equality and Community Cohesion Policy will help schools ensure that they focus more on the outcomes that matter to pupils, community and people who use their services; and that their services are more accessible and delivered effectively. This policy provides a framework for the school to **eliminate prohibited conduct, advance equality of opportunity and foster good relations** in a proactive way.

The Single Equality and Community Cohesion Policy is based on the Equality Act 2010. Much of what is required of schools is already being carried out by them. The main new provisions in the Equality Act 2010 are:

- new disability discrimination provisions (direct disability discrimination, indirect disability discrimination and discrimination arising from disability)
- new protected characteristics:
- new positive action provisions

Schools also have a "specific duty" to publish information around their equality objectives in an accessible manner by April 2012.

Finally, as schools are already aware, avoiding discrimination and promoting equality supports the agenda of improving attainment and progression for all pupils. Good education and skills are crucial for opening up opportunities and increasing the chance of a successful life. Furthermore, Equality and Community Cohesion is a 'limiting judgment' in OFSTED inspections and need to be considered at all times.

Introduction

There were a number of statutory duties that the school was required to meet prior to the Equality Act 2010. As such, with the implementation of this act and the harmonisation of previous legislation, this policy will refer to the Equality Act 2010 and its various provisions as the legislative framework through which this Single Equality and Community Cohesion Policy will operate.

In the development of this Single Equality and Community Cohesion Policy Norden Community Primary School has moved from a focus on an individual response to an approach that builds on **disability, gender, gender reassignment, pregnancy and maternity, race, religion or belief and sexual orientation** considerations from the start and at every level of the school, at strategic, policy, management and classroom level. We will demonstrate what we have done and what we plan to do to improve opportunities and outcomes for pupils, staff, parents and other users of the school. This policy will be monitored and delivered through the governors' role, School Improvement and Self Evaluation process.

We will ensure that every pupil irrespective of the protected characteristics is able to achieve high standards and that strategies are in place to tackle under-achievement. We will ensure that every pupil has access to the necessary support required to enable them to achieve their highest potential. We will ensure that the school's procedures for disciplining pupils and managing behaviour are fair, effective and equitable.

Our intention is to ensure that the adults working or volunteering in the school include as much as possible a balanced representation of the local and wider community. We believe that this will provide good role models for pupils from all backgrounds.

This Single Equality and Community Cohesion Policy will be linked to a joint action plan which sets out how we intend to implement the policy over the next three years.

Norden Community Primary School sees this Single Equality and Community Cohesion Policy as a living document and we will continuously review the action plan in consultation with pupils, staff, parents, carers, governors and all other stakeholders where possible. We believe they need to be involved from the very start and their involvement will inform the preparation, development, publication, review and reporting of the policy to ensure that we meet the needs of people from different backgrounds.

We have then set out our key approaches and tools to help us achieve these aims including:

- Our consultation and involvement strategy
- Our commitment to Equality Impact Assessments
- Our accountability processes for the policy
- Our commitment to publication and public access
- Our monitoring and review processes

Specific Equality Areas

Disability

What do we mean by Disability Equality?

We recognise that a person has a disability if they have a physical or mental impairment which has a substantial and long-term adverse effect on their ability to carry out normal day-to-day activities.

Our commitment

Norden Community Primary School is committed to promoting an ethos that safeguards the dignity and well being of everyone and encourages practices that take into account the rights of individuals to be treated with dignity and respect. We will not tolerate any form of discrimination, harassment and victimisation directed at anyone because of their disability.

This Single Equality and Community Cohesion Policy incorporates our commitment and actions on disability equality. It demonstrates our commitment to addressing disability equality in our decision making and the delivery of education.

We are committed to promoting equality of opportunity for disabled pupils, staff and other users of our services so they can have equal access to all our school and its services. This policy is a statement of our commitment and shows clearly how we will work over the next three years to achieve our goal.

We will continue to review our policies, practices and procedures so that they do not adversely affect anyone because of their disability. By also building this into our curriculum, working and procurement processes we will expect others to do the same.

School Mission Statement

Norden is an inclusive school. We welcome ALL members of the immediate and wider community of ALL ages and abilities. Everyone is equally valued and encouraged to reach their potential.

Our Aims and objectives

We have identified a number of specific actions designed to promote positive attitudes towards disabled people. We have committed to:

- Reviewing marketing and communication to ensure that positive images of disabled people and their abilities are used in our promotional material and publications;
- Any further curriculum based activities to raise awareness and improve understanding of disability issues amongst pupils and staff.
- providing auxiliary aids to ensure disabled pupils have fair access to lessons.
- Any strategies to attract or assist disabled people to be represented on a range of partnership bodies, including Governing bodies, senior management team etc.

Gender

We are a co-ed school

What do we mean by Gender Equality?

We recognise that a person's gender refers to the fact that they are male or female. In relation to a group of people, it refers to either men or women or to boys or girls.

Our commitment

Norden Community Primary School is committed to promoting an ethos that safeguards the dignity and well being of everyone and encourages practices that take into account the rights of individuals to be treated with dignity and respect. We will not tolerate any form of discrimination, harassment and victimisation directed at anyone because of their gender or sexual orientation.

We recognise that stereotypes exist for both genders and some can lose opportunities because of these stereotypes and welcome the requirements of the Equality Act 2010 with specific provision for Gender Equality and we will give due regard to the need to:

- Eliminate unlawful discrimination and harassment on the grounds of gender, including domestic violence, sexual violence, bullying (including homophobic) and exploitation.
- Promote equality of opportunity between women and men in all of our functions.

Our achievements

We have mixed sports teams.

Girls are encouraged to develop mathematical skills by working in single sex groups.

Sex education is delivered in single sex sessions in Y5 and Y6.

Our Aims and objectives

We have identified a number of specific actions designed to promote positive attitudes towards disabled people. We have committed to:

Gender Reassignment

What do we mean by gender reassignment?

We recognise that a person may express their gender in a way that differs from or is inconsistent with the physical gender that they were born with.

Our commitment

Norden Community Primary School is committed to promoting an ethos that safeguards the dignity and well being of everyone and encourages practices that take into account the rights of individuals to be treated with dignity and respect. We will not tolerate any form of discrimination, harassment and victimisation directed at anyone because they propose to undergo, are undergoing or have undergone gender reassignment.

We understand gender reassignment does not necessarily require a medical process to be undertaken and that a person will be protected because of gender reassignment if they:

- Make their intention known to someone at the school
- Start to behave or dress according to the gender they identify with
- Undergo treatment such as surgery or hormone therapy
- Have already received gender recognition under the gender recognition act 2004

The school will also respect the confidentiality of those seeking gender reassignment and will provide a supportive environment within its school community.

There is a specific prohibition contained within the Equality Act 2010 which prohibits discrimination of staff who are absent from employment as a result of gender reassignment.

Our aims and objectives:

Eliminating prohibited conduct, advancing equality of opportunity and fostering good relations.

Pregnancy and maternity

What do we mean by pregnancy and maternity?

Our commitment

Norden Community Primary School is committed to promoting an ethos that safeguards the dignity and well being of everyone and encourages practices that take into account the rights of individuals to be treated with dignity and respect. We will not tolerate any form of discrimination, harassment and victimisation directed at anyone because of their pregnancy or maternity.

We will also seek to make arrangements for female pupils or staff to ensure that they are not treated less favourably because they are pregnant or breastfeeding.

We will not discriminate against a pupil or staff in absences related to pregnancy and maternity.

Race

What do we mean by Race Equality?

The school adopts the definition of Race as outlined in the Equality Act 2010 as one of the protected characteristics which refer to a group of people defined by their race, colour, and nationality (including citizenship) ethnic or national origins.

Our commitment

Norden Community Primary School is committed to promoting an ethos that safeguards the dignity and well being of everyone and encourages practices that take into account the rights of individuals to be treated with dignity and respect. We recognise that race discrimination, harassment and victimisation may be experienced by all in a number of ways, including day-to-day interaction with fellow pupils, staff and visitors.

The School also recognises that Black, Asian and Minority Ethnic pupils and staff may experience discrimination on the basis of race, colour, nationality and ethnic origin. This discrimination can manifest itself in all areas of their lives and can have serious consequences in terms of damaging people emotionally and physically and limiting life choices and opportunities.

The school and governing body does not tolerate any form of race discrimination which it recognises is unacceptable, discriminatory and unlawful, and is proactive in ensuring that people whatever their race, are treated fairly. This commitment is consistent with the significant progress that the school has already made in this area.

We will comply with the requirements of the Equality Act 2010 with regard to Race Equality.

Religion or Belief

We are a community primary school

What do we mean by Religion or Belief equality?

A Religion or belief refers to a religious and/or philosophical belief including lack of belief (e.g. Atheism). A religion must be identifiable and have a clear structure or belief system. A belief need not include faith or worship of a god or gods, but must affect how a person lives their lives or perceives the world (e.g. Humanism)

Our commitment

Norden Community Primary School is committed to promoting an ethos that safeguards the dignity and well-being of everyone and encourages practices that take into account the rights of individuals to be treated with dignity and respect.

Faith-based hate crime has been a new phenomenon in recent years, developing a character that is distinct from race hate crime. We recognise that discrimination, harassment and

victimisation on the grounds of religion and/or belief or non-belief may be experienced in a number of ways, including day-to-day interaction with fellow pupils, staff and visitors.

The school seeks to eliminate all forms of discrimination and prejudice based on religion and/or belief or non-belief, either direct or indirect, and is committed to treating staff, pupils and others fairly, regardless of their religion or belief and will not condone unfavourable treatment on this basis.

We will comply with the requirements of the Equality Act 2010 with regard to religion or belief and any incidents of bullying, harassment and/or victimisation on the grounds of religion and/or belief or non-belief will be taken seriously and could provide grounds for disciplinary action that may lead to dismissal or exclusion from the school.

Tackling unlawful discrimination by

- Keeping accurate records of all religion or belief groups, their backgrounds and needs and how the school responds to them;
- Dealing with complaints of discrimination and harassment speedily according to Local Authority Guidance, and notify complainants of the outcomes and action taken;
- Encouraging dialogue between pupils of different religions or belief groups;
- Prevent discrimination, and to promote equality of opportunity and good relations between members of different religions or belief groups.

Working in partnership with different religions or belief groups to

- Promote the active participation of different religion or belief communities in shaping the future of school;
- Ensure the school staff (both permanent and temporary), pupils and their families as well as our partners and the wider community fully understand the principles of tolerance and good religion or belief relations.
- Expand access across all communities and in all areas of school activity.

****This can also support the Race and Community Cohesion work you undertake in school by**

- Promoting activities that celebrate our common experience as well as those that recognise diversity generally and foster understanding and respect for the religion or belief of all your pupils and their families;
- Encouraging pupils and their families of all religion or belief groups to participate fully in all aspects of school life;
- Countering myths and misinformation that may undermine good community relations;

Sexual Orientation

What do we mean by sexual orientation equality?

The school uses the definition as outlined in legislation as sexual orientation meaning a person's sexual orientation towards:

- persons of the same sex
- persons of the opposite sex, or
- persons of either sex

The school extends the definition of this protected characteristic of sexual orientation to include:

- references to a person who is of a particular sexual orientation, or
- references to persons who share the same sexual orientation

Our commitment

Norden Community Primary School is committed to promoting an ethos that safeguards the dignity and well being of everyone and encourages practices that take into account the rights of individuals to be treated with dignity and respect. We will not tolerate any form of discrimination, harassment and victimisation directed at anyone because of their sexual orientation.

The School will combat discrimination faced by lesbians, gay and bisexual (LGB) people. We want to ensure equality of opportunity for LGB people across our curriculum provision, services and employment.

We will respect the rights of individuals to be open about their sexual orientation, tackle homophobia, challenge stereotyping and improve knowledge about LGB communities, both internally and to the community as a whole.

The school recognises the need to protect pupils and staff from unlawful discrimination and harassment on grounds of sexual orientation as required by the Equality Act (Sexual Orientation). We are committed to taking a pro-active approach to preventing all forms of homophobia within the school and will assess the impacts of our policies, functions and procedures on promoting sexual orientation equality as part of our Equality Impact Assessment processes.

We will deal with complaints of discrimination and harassment speedily and according to Local Authority Guidance and notify complainants of the outcome and actions taken.

Community Cohesion

What do we mean by Community Cohesion?

Norden Community Primary School adopts the Department for Education definition of community cohesion to mean working towards a society in which:

- There is a common vision and sense of belonging by all communities the diversity of people's backgrounds and circumstances is appreciated and valued
- Similar life opportunities are available to all, and
- Strong and positive relationships exist and continue to be developed in the workplace, in schools and in the wider community."

Our commitment

For a number of years, we have been committed to promoting community cohesion as part of the response to the legal duties outlined in previous legislation.

We understand that Community Cohesion is the process that should happen in all communities to ensure that different groups and individual people get on well together. It should also allow for new communities and existing communities to adapt and integrate with one another.

The school will promote community cohesion within a number of dimensions including:

- the school community
- the community within which the school is located
- the community of Britain
- the global community.

We will evidence our effectiveness for OFSTED by demonstrating:

A widely shared sense of the contribution of different communities to a shared vision

- A strong sense of individual rights and responsibilities within the school community.
- That all children and parents feel they are being treated fairly and have the same opportunities.

- That children trust the school to act fairly.
- We have strong and positive relationships.

Safeguarding & Building Resilience – “Learning together to be safe”

Norden Community Primary School is fully committed to safeguarding the welfare of all children and young people by taking all reasonable steps to protect them and build resilience in accordance with the DfE guidance – *Learning Together to be Safe*.

This commitment is in line with our school’s current Safeguarding policy and applies to all adults, including volunteers, working in or on behalf of the school.

We recognise that some young people, who are vulnerable to extreme views, may find it difficult to develop a sense of self worth and to view the world in a positive way. We also recognise that their behaviour may be challenging at times, and that some may cause offence or harm to others.

We will therefore always take a considered and sensitive approach in order that we can support all of our pupils by

- providing a safe environment for children and young people to learn and develop in our school setting, and
- identifying children and young people who are particularly vulnerable to extreme views / radicalisation, and taking appropriate action in accordance with the schools Safeguarding procedures with the aim of making sure they are kept safe both at home and in our school setting.
- making appropriate referrals to the Local Authority for early intervention and support where necessary
- ensuring that staff member(s) or governor(s) responsible for safeguarding are kept fully aware of their responsibilities, by attending relevant training and briefings
- letting staff, parents and pupils know how to voice their concerns
- responding to any allegations appropriately in accordance with appropriate school policies and procedures

Equality Impact Assessment

We are reviewing key policies, functions or procedures that have been assessed as relevant to meeting the duties set out under the Equality Act 2010.

The main system by which we will assess the impact of our current policies, functions or procedures will be through carrying out Equality Impact Assessments.

We need to understand whether our policies and services are meeting everyone’s needs and that anyone who needs to can get access to them. To do this we undertake Equality Impact Assessments (EIA) to test how we are doing at the moment and what can be done better in the future. An EIA will decide whether a policy or service has a “positive, negative or neutral impact” on some sections of our school and local community. It will also be used to test future policies or services. The impacts will enable us to take into account the needs of different groups of people who share one or more of the protected characteristics defined by legislation.

We will consult with the local authority where necessary and our staff and Governors who are responsible for carrying out these assessments have attended relevant training or will be attending future training as part of their role.

Publishing and raising awareness

We recognise that our Single Equality and Community Cohesion Policy is a public document that should be available to any interested stakeholder.

Specific Duty

Under the Equality Act 2010, we recognise that from April 2012, as a school, we also have a “specific duty” to:

1. Publish sufficient information to demonstrate compliance with the general equality duty every four years, with an action plan review on at least an annual basis. This can include information on the effect that our school policies and practices have on protected groups.

We will also

2. Prepare and publish equality objectives in an accessible manner, to meet one or more aims of the general equality duty, and supporting the local authority in publishing relevant information to demonstrate compliance where necessary.

Examples of the types of information we will consider include:

- Information that was published before preparing our school objectives.
- Information about the engagement undertaken when developing objectives
- placing the policy it on our website
- making it available on request
- providing a summary in our prospectus, including our vision and key priorities

Monitoring and evaluating the Single Equality and Community Cohesion Policy Action Plan

We will regularly monitor and evaluate the implementation of our Single Equality and Community Cohesion Policy. We will report annually on our progress and performance. Our annual report will be shared with Governors and our School Improvement Partner. A summary will be provided for parents and published in our prospectus. Both will explain how the full report can be obtained. We will inform staff and pupils of our progress.

The findings of our annual report will be used to update the Single Equality and Community Cohesion Policy and inform subsequent Equality and Community Cohesion Policies

We want this Single Equality and Community Cohesion Policy to be a ‘whole organisational’ document that drives forward equality and achieves improved outcomes.

Information and data, both quantitative and qualitative, will be used to monitor and evaluate the implementation of the policy including information on the school population, workforce recruitment, retention and progression, special initiatives, progress at key stage levels and targets and future plans will be reported on to ensure effective monitoring.

We will formally review, evaluate and revise this Single Equality and Community Cohesion Policy. This process will again involve staff, pupils, parents and governors who reflect the full diversity of the school community.

The school has a procedure in place for recording, reporting and responding to racist incidents. The school will continue to comply with the Local Authority procedure for monitoring racist incidents so that the information can be analysed. This procedure is outlined fully in the *guidelines for schools in combating and recording racist incidents*.

If a member of the public feels that they have suffered harassment or been treated unfairly by the school because of their age, disability, gender, gender reassignment, marital status, pregnancy or maternity, race, religion or belief or sexual orientation, they should report this without fail through the School's complaints procedure.

Complaints by staff will be dealt with under the Grievance or Dignity at Work Policies, as appropriate. Monitoring complaints is also another way of gathering information to see whether we are meeting our equality duties. We will report annually on complaints made and action taken as part of monitoring the Single Equality and Community Cohesion Policy.
